

For over hundred years Zinfandel vines have thrived in the Ledson estate vineyard adjoining the city of Sonoma. The gnarled vines have seen many seasons come and go and even experienced the rare 1997 snow in the valley. The snow caught the dormant vines before their winter pruning revealing a network of last year's cane. From warm sun to snow the climate hosting these vintage vines produces a rich intense fruit.

"Snow Blankets Dormant Vines"

Giclee

24 x 30 unframed \$500

16 x 20 unframed \$350
