150 YEARS OF TRADITION

*Winery & Vineyards*

## Health & Safety Protocol

We have taken the necessary steps and precautions to comply with CDC, State and Sonoma County health ordinances regarding Covid-19. Plenty of spacing has been arranged to allow more than 6 feet of physical distancing between different parties and our staff at all times. Please familiarize yourself with our protocol before your visit.

### Policy for Your Visit

- The number of people in a group can't exceed 10 guests. All members of the group must be from a single household. The entire group must be present to be seated at one time.
- Upon arrival guests are required to wear face masks while on the property. Masks may be removed by guests when seated or after they were escorted to their tasting location. Visitors are asked to bring their own face masks.
- Guests check-in at the Castle entrance where their temperature is taken.
- Guests exhibiting symptoms associated with Covid-19 or with a temperature higher than 100 degrees will be asked to return another time.

### Cleaning & Sanitation

We are strictly adhering to the guidelines set forth by the CDC and Sonoma County health organizations to ensure the wellbeing of our guests, employees and community.

- Hand sanitizers are available.
- Tasting areas will be disinfected before and after each guest experience.
- Glassware will be washed in our high temperature dishwasher at a minimum temperature of 180 degrees.
- Staff will keep 6 feet distance.
- Restrooms, door handles, and other high contact surfaces will be cleaned and sanitized on a continuous basis throughout the day.
- Menus will be used by a single guest.
