Winemaker's Comments:

Bright aromas of fresh strawberry, white peach, rose petals and kiwi grace the nose. The mouthfeel is smooth and round with mouthwatering strawberry, stone fruit and apricot on the palate, accented by just the right amount of acidity. A refreshing splash of kiwi on the finish is reminiscent of the fresh, clean air on a crisp wine country morning. The graceful texture and crisp, clean finish make this Rosé delightful all on its own, but it plays well with a range of foods.

The fruit flavors complement light bites, like strawberry salad with goat cheese or green olive tapenade served with petits toasts, while the balanced texture holds its own with savory dishes like paella, grilled chicken or prosciutto pizza.
